GARMIN.

Not available in all stores,
please check online for availability.

The advertisement features two Garmin GPSMAP SOUNDER COMBOS VSR units. The top unit is mounted on a boat's dashboard, displaying a split-screen view of a sonar scan and a map. The bottom unit is a smaller model, also displaying a split-screen view of a sonar scan and a map, with a depth reading of 8.7m and 15.10m visible on the screen. The background of the advertisement is a blue gradient with a subtle wave pattern.

We apologise for any inconvenience.
