6 Coulthards Ave, Strathpine, Queensland 4500, Australia

IMPORTANT: This instruction manual contains important safety information and operating instructions.

Read this instruction manual carefully to familiarise yourself with the product before connecting it to the fridge.

Keep this manual in a safe place for future reference.

INSTRUCTIONS FOR USE

Remove cover from packaging and lay on a flat surface with hook and loop securing squares facing up.

20L, 30L and 40L Models

75L Dual Zone Model

Unfold the front and side walls (you may need another person to help hold them up while you place the fridge in position)

Position the fridge on the base of the cover with the control panel facing the Right side as shown in the picture below.

Raise the rear panel up and zip the rear Right side zip to the top.

Zip up the Left side zip.

Position the lid flap(s) and secure in place with hook and loop securing squares.
